

“STRANGERS COME UP TO ME AND TELL ME WHAT A PRETTY SMILE I HAVE!”

- Mary Christon,
St. Augustine Resident

Woody Domingoes,
D.M.D.

“I found Dr. Woody Domingoes one-and-one-half years ago when I had a dental emergency,” said Mary Christon, who moved to St. Augustine from Atlanta. “He saw me when I couldn’t get any other dentist to see me. I think Dr. Domingoes is absolutely fantastic. He’s very gentle and kind. He really listens to his patients, and he only recommends what I really need. Thanks to Dr. Domingoes, I’ve had strangers come up to me and tell me what a pretty smile I have! He’s the best dentist I’ve found.”
