

“DR. DOMINGOES GAVE ME THE ABILITY TO SMILE!”

- Richard Dettra,
St. Augustine Resident

Woody Domingoes,
D.M.D.

Richard Dettra, Realtor® at Century 21, and co-owner of Cafe 11, had never been happy with his smile. Now with grown kids, Richard decided to do something about it. “Dr. Domingoes gave me a full makeover, crowns and veneers. I have complete confidence in him, and his staff is very professional, yet caring. They do follow-up on every procedure. There was no pain or anxiety. Now, I get compliments...people say ‘How nice you look.’ I’ve found you’re never too old to improve your health and personal appearance.”
